

D2K - MSK Workshop

Join this interactive session and explore how MSK can become a data informed service to meet the needs of its patients

Friday 2nd December 2022

14:00 – 16:00

[Register Here](#)

Chair: Dr Allan Wardhaugh,

MB ChB FRCPCH MRCGP(1993) DRCOG PGDip(Dig Health)
Clinical Programme Director,
National Clinical Framework

This two-hours session will:

- Bring focus to the use of data for care decisions
- Illustrate the processes required to turn data into knowledge
- Showcase examples of data to knowledge already available in Wales
- Define the MSK specific data requirements and user cases
- Demonstrate the systematic changes underway to simplify these processes

Hosted by:

**Canolfan Gwerth
mewn Iechyd Cymru**

**Welsh Value
in Health Centre**

Programme
